

A sophisticated appreciation for architecture and interiors

OUR STORY

Ora Stone crafts and produces natural and engineered stone surfaces. We facilitate a process that gives new life and purpose to this magnificent material, each piece expressing its own unique personality.

Ora Stone is a family business that prides itself on integrity and excellence in workmanship. Our point of difference being, that we offer a personalised, stress free service from the conception of your project to completion of installation.

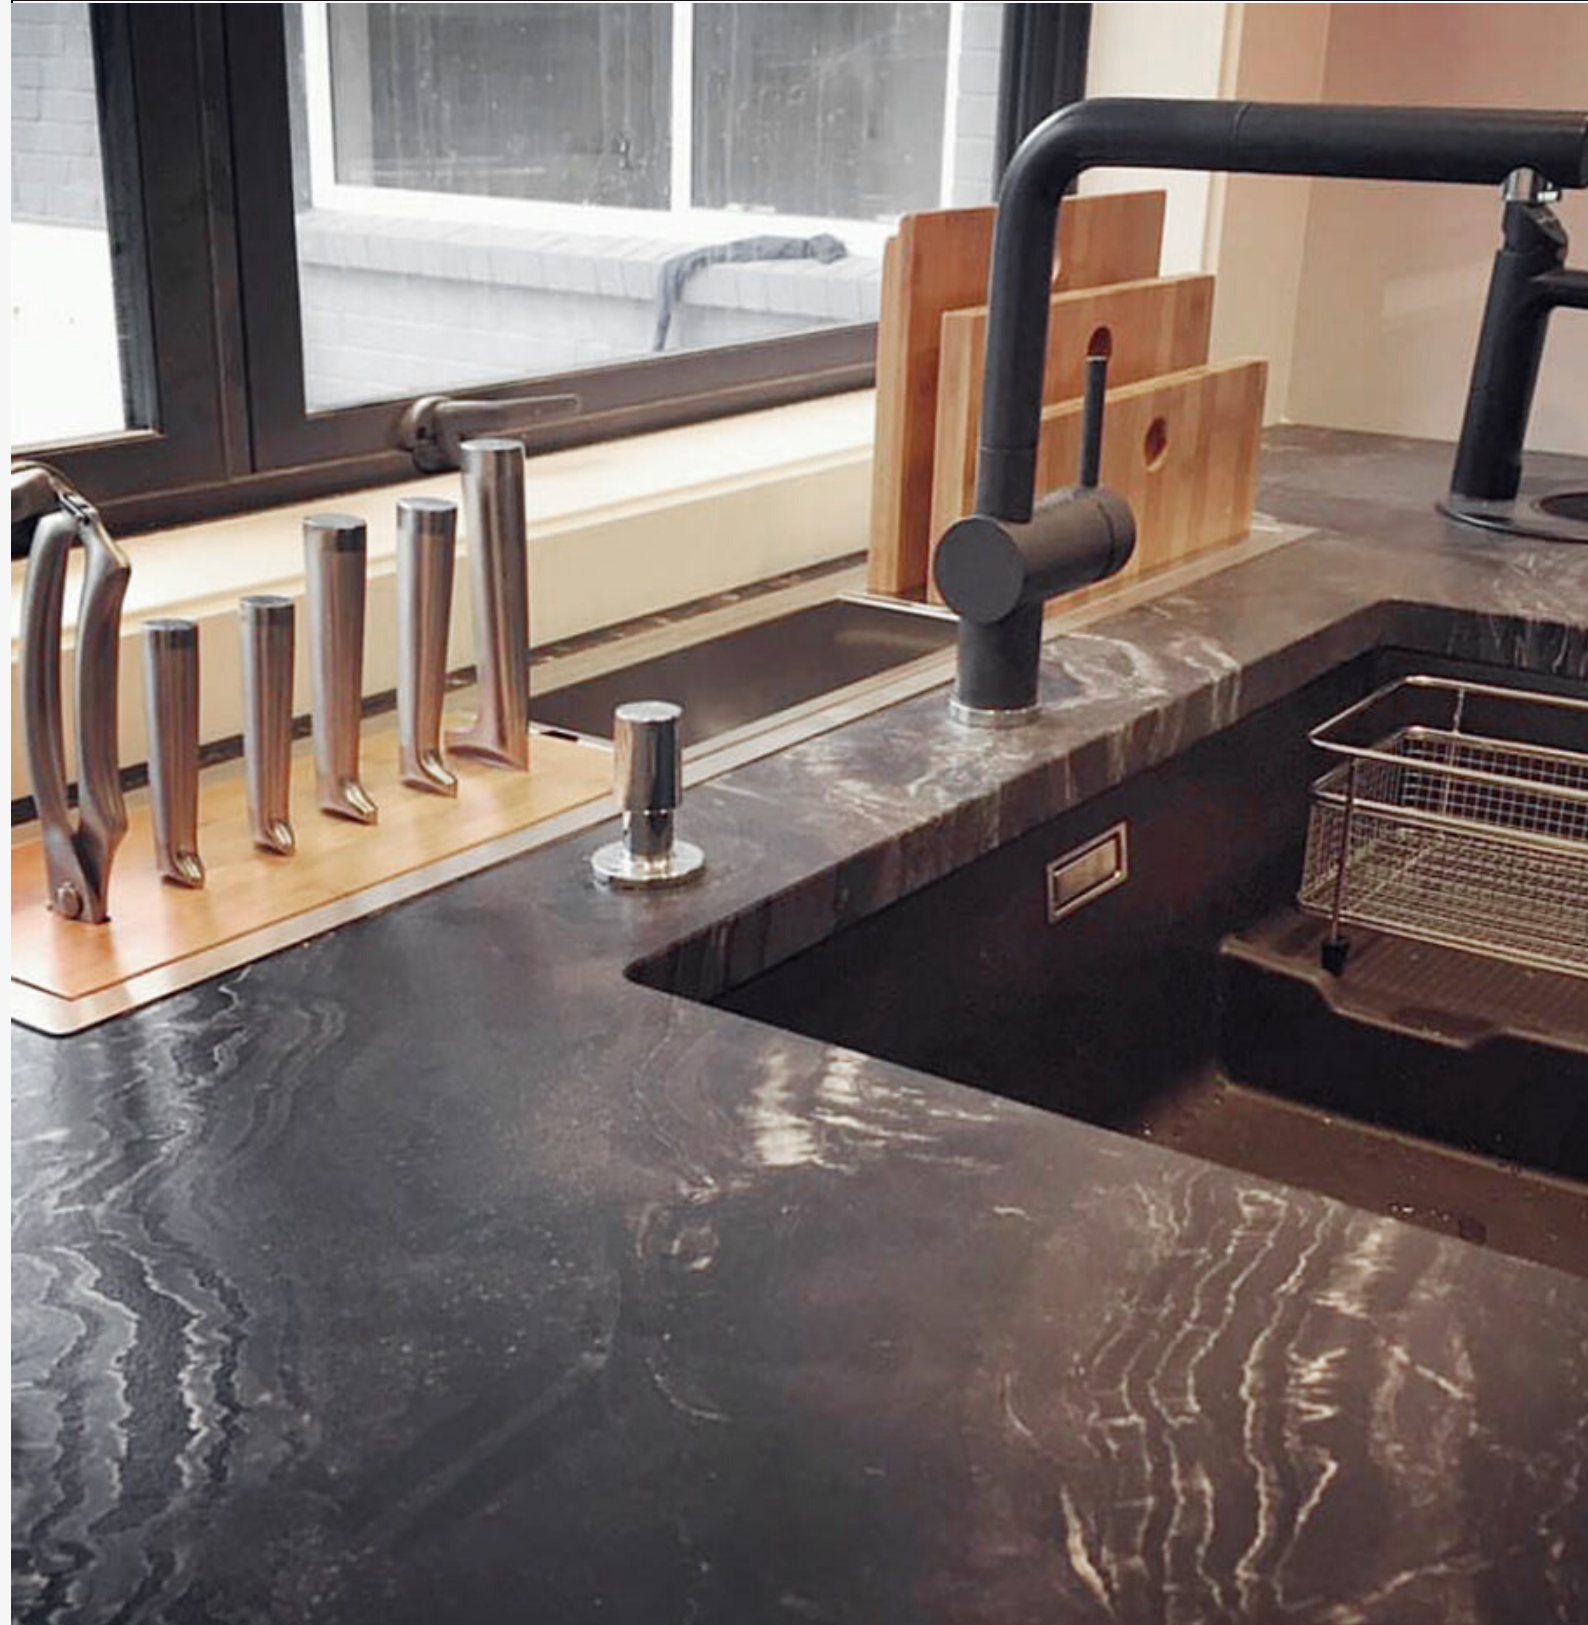

SERVICES

WE SPECIALISE IN HIGH END RESIDENTIAL AND COMMERCIAL PROJECTS:

- Unique table and desk tops
- Reception areas

OUR PROCESS

PRODUCERS OF NATURAL
AND ENGINEERED STONE

PHASE 1

We meet to discuss your project, explore your design aspirations and show you various stone samples

PHASE 2

Quotation Offer will be made to you either by email or in some cases, on site.

PHASE 3

We complete a measurement template of the project once the supporting construction is secured.

PHASE 4

Presentations are tools that can be used as lectures, speeches, reports, and more.

CLIENT TESTIMONIALS

CONTRAST INTERIORS

Monica Dunn, Designer.

Ora Stone is without a doubt our Stone Fabricator of choice. Their product is amazing, their workmanship is impeccable and their commitment to customer service is among the best we have witnessed."

HOME OWNERS

Colleen & George

We wanted to renovate our kitchen with a granite benchtop. With Ora Stone's experience, professionalism and care, we have an outcome that's simply awesome. Just lovin' it."

HOME OWNER

Andrew Mackenzie

Ora Stone has just completed a granite bench and Island for my kitchen. It was a reasonably difficult job. I cannot recommend him highly enough!! 5* workmanship. The job looks stunning "
